

Leaffield C.E. Primary School News and Notices

12 November 2021

Dear Families

Thank you to all the parents who were able to join us for our Remembrance Service at the Church yesterday. Special thanks to Olly, Jasmine and Lilly for their powerful poems. Do look out for our Remembrance Art in the Telephone Box on the Green.

Next week is National Road Safety Week. The theme of the national campaign is 'Road Safety Heroes' which celebrates the professionals who are working to make roads safer for everyone; from designing and building safer roads to caring for people if they crash. The campaign encourages everyone who uses our roads to consider how they can take responsibility for their own safety and the safety of others. The children will discuss road safety in school and they may be interested in talking to you about it. Here are some key themes:

- holding hands when you walk near roads
- crossing roads at safe places
- driving at safe speeds
- and never using a phone while driving.

The school will also join in the fun of 'Children in Need' on Friday. As you know, Friday is our P.E. day so please send your child in with trainers and tracksuit bottoms/leggings for P.E. as usual, with the addition of something spotty/dotty (spotty/dotty t-shirt, jumper, hair band or socks), Pudsey ears are also very welcome. Donations via SCOPAY please.

Wishing you a lovely weekend.

Faye Dean
Headteacher

Thu 16 Dec	Christmas Lunch in School
Fri 17 Dec	School closes for Christmas

Reception Places for September 2021

If you are looking for a Leaffield school place for your 3 or 4 year old you must apply now. The application deadline is 15 January. Please call the office if you need more details.

Hair - Head Lice Prevention and Safety

A gentle reminder that longer hair needs to be tied up or back during the school day. This helps to prevent the spreading of head lice and it is safer for children during play and learning activities.

School Council

Our Class Council meetings took place today. They discussed a range of issues including the amount of traffic in Leaffield and if this has recently increased, the quality of our playgrounds and COP26.
