## 'Once upon a time'

### Overview:

Fairy tales are old stories that have been told to children for hundreds of years. They often include a message about how to behave.

Fairy tales often include animals as characters, such as wolves, bears or goats. Sometimes, there are made up characters, such as trolls.

Fairy tales are set in the past and show the clothes that people used to wear a long time ago.

In fairy tales, kings, queens, princes and princesses live in castles. Many fairy tales are set in woodlands and forests.

There are lots of new stories that tell fairy tales in a different way.
