'Signs of spring'

Overview:

There are four seasons. They are spring, summer, autumn and winter.

Spring is a time when many baby animals are born, such as ducklings and lambs.

Trees start to grow leaves in spring. Some trees grow blossom or catkins.

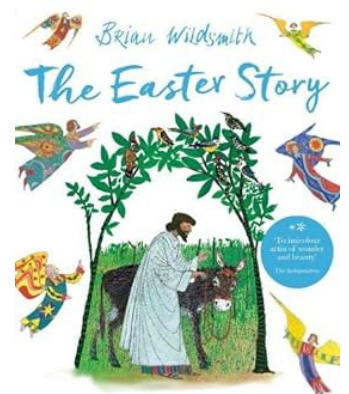

Frogs lay frogspawn in ponds. Tadpoles hatch out of the frogspawn and grow into frogs.

Easter is a springtime festival that is celebrated by Christians.

Holi is a springtime festival celebrated by Hindus. It is known as the 'festival of colours'.

Trips and visitors

- time in the school garden and grounds
- trips to the woods
- Easter service in church
