Be kind, be curious, be you!

Tuesday 20th May 2025

Dear Parents and Carers,

We're excited to share that on **Monday 16th June**, pupils in Years 3 to 6 will be taking part in an exciting and immersive learning experience using **Virtual Reality (VR) headsets** – and we need your help to make it happen!

For **Years 3 and 4**, children will be transported back in time to **Ancient Egypt**. They'll step inside a reconstructed tomb, explore a bustling Egyptian city, and come within virtual touching distance of the **Pyramids of Giza**.

Meanwhile, **Years 5 and 6** will travel through time to learn about the key events of **World War Two**. Through powerful, realistic VR experiences, pupils will gain new insights into this important period in history.

Each child will share a headset with a partner. This is to:

- Encourage **discussion and collaboration**
- Ensure **regular breaks**
- Maximise the educational value of the session

Workshops will be carefully planned to last a maximum of **45 minutes**, including time for questions, discussions, and teacher-led learning.

Parental permission is required for your child to take part.

Please log in to **Scopay** to give your consent by Thursday 12th June

To make this experience truly magical, we are keeping it a **surprise** from the children – so we kindly ask that you **do not share any details with them** in advance.

We're looking forward to a truly memorable day of learning and exploration!

Warm regards,

Rhiannon Abberley

Head of School
