Dear parents and carers,

We have now completed our third week back at school and it has been wonderful to see so many children looking much more settled and really getting into the rhythm of school routines.

This week, Mrs Merry and Miss Ledbetter began their 'Mastering Number' course in maths, while Mrs James and Miss Ledbetter attended 'The Power of Texts' training to further strengthen our writing curriculum.

We were also delighted to welcome back Open the Book, where a drama group brings Bible stories to life for the children. On top of this, I had the pleasure of meeting with Jane Digby, a valued member of our community, to plan new ways for our children to be more involved in local life and to welcome members of Leaffield into our school.

We are always looking to enrich the children's learning with real-life experiences and special visitors. If you have a talent, hobby, or area of expertise that you would be happy to share in the classroom, we would love to hear from you. The children really enjoy learning from our visitors, and it's a wonderful way to inspire them and broaden their horizons. Please do get in touch if you'd like to be involved.

Looking ahead to next week, the children will be in full harvest swing as they prepare for our service the following week. I hope you have a restful weekend, or one full of clubs and enjoying the 'parent-taxi' life.

Rhiannon Abberley, Headteacher
