Dear parents and carers,

Another week has passed, and time really is flying. Our Year 6 pupils completed their Play Leader training, equipping them with the skills to support our youngest children out on the playground. They will now work on the lunchtime timetable and organising games to carry out these new responsibilities.

We also gathered together in our beautiful church for the Harvest Festival. A huge thank you to everyone who was able to join us and for the generous donations that will go on to support others in need.

To round off the week, our pupils took part in the U9 and U11 Burford Partnership cross-country event. The children shone with determination and team spirit, representing our school brilliantly and making us all very proud.

Mrs Kitto completed her ECCERS training which teaches early childhood educators how to use the Early Childhood Environment Rating Scale (ECERS), a research-based tool for assessing and improving the quality of Early Years settings.

I am preparing myself for my day of teaching in Murphy Class next Wednesday, and I simply cannot wait! It's always such a joy to spend time in the classroom, joining the children in their learning and seeing the amazing things they are working on. I'm really looking forward to sharing the day with them and getting a glimpse of all the brilliant progress they are making.

Rhiannon Abberley, Headteacher
