Dear parents and carers,

Well, we've made it to the end of our first term, and what a fun, busy, and brilliant few weeks it has been! It's hard to believe how much the children have achieved in such a short space of time. I've been so impressed by how quickly they've settled into new routines and how much progress they've made - both academically and socially. It's been a real joy to watch them grow in confidence and shine in their own ways.

This week, things took a slightly *festive* turn (yes, in October!) as the children designed their Christmas cards. If you know me, you'll know I think it's never too early to mention the C-word! A huge thank you to FOLs for organising and supporting the children's creations: it's always lovely to see such creativity and sparkle in the classroom.

On Wednesday, I had the pleasure of meeting with one of our school governors, who is closely monitoring how we use our pupil premium funding and how playtimes are supporting our children's development. It was a delight to show her around the school and share our exciting plans for improving our outdoor spaces.

Speaking of which... **we need your help!** If you know of anyone who could help us source or install some new astro turf at a great price, please do get in touch. We'd be incredibly grateful - every bit of support helps us build a better environment for our children to thrive.

Thank you to everyone who came along to Parents' Evening. The teachers have all said how lovely it was to sit down and share your children's learning journeys so far, thank you for your continued support and partnership.

Finally, congratulations to our Governor's Cup winners - what a fantastic achievement! Wishing you all a restful and happy break filled with slower days and family time! You've all earned it!

Rhiannon Abberley, Headteacher - *Be kind, be curious, be you!*
