Dear parents and carers,

It has been a busy and meaningful week at Leaffield as we came together to remember the soldiers who have fought for us. The children have shown such care and respect throughout all of our Remembrance activities.

Our whole-school display on the green has been a real labour of love, and we are so proud of how it has turned out. A special thank you to Rebecca Thomas who helped with the vision and thank you for all of the wonderful comments and kind words - it means a lot to the children to see their work appreciated by the community.

We also gathered for an intimate school service at the church, where each class laid their wreaths, and we joined together in a two-minute silence. I was so impressed by the children's thoughtful and reflective responses to the Vicar's questions; they truly demonstrated the values we hold dear as a school.

Our Mental Health Support Lead also ran the second part of their parent workshop this week, focusing on children's behaviour and emotional regulation. Thank you to those who attended, it's been wonderful to see such engagement and positive discussion around this important topic.

On the sporting front, I had the pleasure of taking our hockey team to the partnership hockey tournament. They were superb – showing incredible determination and teamwork on the pitch, alongside impeccable behaviour throughout. AND THEY WON!!!!

To end the week, the school was awash with bright colours for Children in Need. It was fantastic to see our children coming together to support such a worthwhile cause - a lovely reminder of their compassion and generosity. We look forward to an exciting and purposeful half term ahead!
