Dear parents and carers,

We hope you all had a wonderful half term break. It has been lovely to see the children return to school this week; they have settled back into routines quickly and with real enthusiasm for their learning. Classrooms have been busy, focused, and full of smiles - just as we like them!

On Monday, while the children enjoyed the final day of their break, all staff took part in an ODST Inset Day. This involved a series of online workshops which enabled us to deepen our understanding in key areas of school development. Some of the sessions included: Strengthening Early Years Writing, Zones of Regulation and Positive Behaviour Approaches to name but a few.

We also kicked off the week with school photos, and it was wonderful to see everyone looking so smart. There were certainly some real gems amongst the pictures!

On Wednesday, we were also pleased to welcome members of our Mental Health Support Team, who led a workshop focused on supporting children's behaviour and emotional regulation. The session provided practical strategies that can be used both at school and at home. The second part of this workshop will take place on Wednesday 12th at 1:15pm. If you would like to attend, please contact the school office to reserve a place.

To round off a positive first week back, Yellow Team enjoyed a celebratory tea party for being last term's House Point winners. They were treated to some delicious goodies and took time to reflect proudly on the teamwork, effort and kindness that helped them achieve their success. Well done, Yellow Team!

Looking ahead to next week, our Y5/6 hockey team will represent our school in the Burford Partnership - I am very much looking forward to attending that with them.

We look forward to an exciting and purposeful half term ahead!

Rhiannon Abberley, Headteacher - *Be kind, be curious, be you!*
