

Governor Vacancies

Are you interested in a role as a school governor?

Being a governor provides an excellent opportunity to support a school and its pupils, and it is also a great way to develop your own skills.

The current governing board invites you to contact the governance professional and start a conversation. Email them at:

clerk.governors@leafield.oxon.sch.uk

Further Information:

The governing body has capacity for 12 governors, and the constitution of a governing board can vary depending on the type of school. Most boards can also include additional co-opted governors, therefore please don't be put off if you see a full governing board on the website.

There's a lot of information available for guidance, please have a look at:
