Dear Parents and Carers,

We are delighted to inform you that we are planning a one-night overnight residential visit to Hill End Outdoor Education Centre for our Year 1 and Year 2 children on Tuesday 19th May.

This residential has been carefully planned to provide our youngest children with a positive first experience of staying away from home, supporting their independence, confidence, and teamwork in a safe and nurturing environment.

## **Visit details**

**Date:** Tuesday 19th May – Wednesday 20th May

**Cost:** £97.11 per child

**Location:** Hill End Outdoor Education Centre

## **What to expect**

The children will arrive at Hill End on the afternoon of Tuesday 19th May. On arrival, they will unpack and settle into their dormitories with their friends before having time to explore the site and become familiar with their surroundings.

In the evening, the children will enjoy a barbecue dinner, followed by a campfire experience with a Hill End ranger, including stories and making s'mores - a real highlight of the visit.

After an early night and a good rest, the children will be up early on Wednesday morning for breakfast. A ranger will then lead them into the woodland for a morning of exciting outdoor learning, including Den building, Survival skills and Fire lighting.

After lunch, the children will take part in team games to burn off some energy before beginning their journey home later in the afternoon.
