The residential will take place from Wednesday 20th May to Friday 22nd May and promises to be a wonderful opportunity for the children to develop independence, confidence, and teamwork, while enjoying rich outdoor learning experiences alongside their friends.

During their time at Everdon, the children will take part in a wide range of activities focused on nature and survival skills, including:

The children will stay in shared dormitory-style accommodation, giving them the chance to build friendships and enjoy this memorable experience together.

The total cost of the residential is £202.11 per child. This amount will show on your Scopay account which you can either pay in full or by instalments, this is totally up to you so long as the full amount is paid by the 1st of May 2026.
