Dear Parents/ Carers,

It has been a relatively quiet week in school, but one that has been full of learning and enrichment opportunities for our pupils. A wide range of clubs have been taking place, including Brick Builders Club, Broken Board, KS2 Football and Guitar Lessons. These experiences continue to add real value to our curriculum and provide children with opportunities to develop new skills, confidence, and teamwork.

Across the school, the children are now fully immersed in their class topics, and it has been a pleasure to hear them talking enthusiastically about what they are learning. Their curiosity and engagement are clear, and it is lovely to see their knowledge growing day by day.

This week, I was fortunate to visit Stanton House as part of ODST's commitment to supporting Headteacher wellbeing. The visit provided valuable time for reflection, allowing me to learn more about myself as a leader and how I can continue to support my team effectively. Although, I have recognised that sitting and listening for long periods of time is something I absolutely struggle with!

On Wednesday evening, Murphy Class returned to school for their much-anticipated Starry Night Walk. There is always something incredibly special about visiting school after dark, and the children thoroughly enjoyed sharing this experience with their friends. It was a memorable evening and a wonderful example of learning beyond the classroom.

Finally, we are pleased to share that Mrs Jobson has successfully completed the Oxfordshire County Council (OCC) Anti-Bullying Course. This free, specialised training supports school staff in continuing to create a safe, supportive, and inclusive environment for all children and young people. This reflects our ongoing commitment to ensuring that every child feels safe, valued, and listened to in our school.

Here's to week 4! Rhiannon Abberley, **Headteacher - Be kind, be curious, be you!**

Office Updates:

Friendly reminder – the yellow 'zig zag' area outside school is a no parking zone at any time. We understand parking can be tricky at drop off and collection times but ask that this area is kept clear.

Friday 30th January – Donaldson class cake sale!

Safeguarding Update:

You may not be aware of this, but the minimum age for the app WhatsApp is 16. Please take a moment to read the attached parent guide for full information.
