Dear Parents and Carers,

As we reach the end of a busy and successful term, I would like to take a moment to reflect on some of the highlights from this week.

Year 5 had a fantastic start to the week, taking part in their Bikeability training. They approached the experience with enthusiasm and maturity, developing important skills and confidence when cycling on the road. We are very proud of their efforts and the positive attitude they demonstrated throughout.

Earlier in the week, I attended the *5 Foundations of Attendance* course at ODS. This training has provided valuable insight and practical tools to help us continue supporting strong attendance across the school, and to work closely with families to ensure every child has the best possible opportunity to succeed.

Year 4 enjoyed an exciting visit to Burford Secondary School for their Modern Foreign Languages Day. The children took part in a range of engaging activities, learning French, German and Spanish, all delivered by the secondary students. It was a fantastic opportunity for them to experience language learning in a new environment, and they thoroughly enjoyed the day - what great fun it was!

On Thursday, we came together with Finstock to celebrate our Easter Service. It was a truly special occasion, and always a pleasure to share these meaningful moments together. The children represented the school beautifully, and the sense of community was evident throughout.

We were also delighted to welcome three visiting children this week, who will be joining our school after the half term break. Our pupils did an excellent job of making them feel welcome and included, demonstrating kindness and friendship that we are very proud of.

To round off the term, we held our Spring Governor's Cup. Congratulations to all of the winners. Thank you for your continued support this term. We wish you all a restful and enjoyable break, and look forward to welcoming everyone back refreshed for the new term.

Have a wonderful holiday! Rhiannon Abberley, **Headteacher - *Be kind, be curious, be you!***
