9th September 2022

Dear Parents and Carers

Today in school we held a special assembly to reflect on the death of HM Queen Elizabeth II. The children were invited to reflect on the Queen's remarkable life, to pray for the Royal Family at their time of grief and to give thanks for her life and service.

The children have written their own messages of condolence which will be added to special whole school display. After our period of mourning we will put all their messages in a commemorative book.

Of course some of our children may be unsettled by this unique time of sadness. We will of course support and monitor all the children at this sensitive time.

Welcome Back - New school year!

It was wonderful to welcome the children back into school on Tuesday. They have settled very well into their new year groups. Today our Curriculum Letters have been posted onto the class pages. Please do take a moment to read these letters from our teachers, as they detail important information for the half term ahead.

What your child can bring into school:

A water bottle (please make sure it has a name on it). We ask that you provide your child with **water only**. Orange squash or fruit flavoured waters are not permitted.

A healthy fruit snack Please remember children in Reception and Donaldson are provided with a free (government funded) snack.

School Uniform:

The children look very smart in their uniforms. May I remind parents to ensure long hair is tied back for school for safety, hygiene and tidiness.
