### **Writing Intent:**

At Leafield Primary School, the teaching of writing is of paramount importance within a broad and balanced curriculum. Our aim is to ensure that every child within our school, leaves us as a competent, independent writer, with an understanding of the conventions of Standard English and when to use it effectively.

This ability to write with confidence for a range of purposes and audiences ensures that children leave Leafield fully prepared for their secondary education, enabling them to access the curriculum in KS3.

The writing curriculum at Leafield encourages children to immerse themselves in different text types, linked to high-quality texts, understand the features and impact of these, and realise the importance of them beyond education.

A secure knowledge of spelling and grammar and an understanding of how to edit writing is taught throughout the school in a systematic and progressive way. The content of writing lessons is planned to build on children's previous knowledge as well as introduce new learning. We want our children to leave Leafield with a deep understanding of different text types and a love for creative writing.
